PRINCIPAL'S POST

Ngā mihi nui ki a koutou katoa,

I am very grateful to the Glendene Board of Trustees who have chosen me to continue working as the principal. It is your children that inspire me to work hard, along with their teachers to make Glendene a place to learn and thrive. After two years working in the role I can finally say I am the principal of this special place.

I wish you all a restful break, enjoying being with your family.

Aku Mihi, Fa'afetai tele lava and thank you so much.

A great big thank you to Paul Fox from Barfoot and Thompson for dropping off the bike to Glendene School this morning.

BOARD OF TRUSTEES ELECTIONS

This year in September 2025 will be the Glendene School Board of Trustees Elections. The role of a board trustee is to govern the school by setting strategic goals and the policies by which the school is controlled and managed. The board entrusts the principal to work towards the strategic goals and report on the school's progress throughout the year.

If you think you have what it takes to become a board trustee, please contact Cecilia in the school office for information to be sent to you by email.
