Reminders Pānui

Talofa lava,

Firstly, thank you for working with us to keep our school open by:

- Informing us when you or a member of your family tested positive for Covid-19 or you are household contacts
- Sending children to school when they are well and keeping children at home when they are not well
- Bringing named drink bottles to school
- Encouraging mask wearing for the Year 4-6 classes
- Calling the school office-
 - when you need to collect a child (park at the hallside carpark and text/call when you are there and we will send your child out to you)
 - when you need to buy stationery or uniform-Cecilia or Nicola will come to you
- Dropping and collecting children at the gate and staying off-site

We have families and staff isolating at home and know you are doing your best to keep us safe.

The latest update from the Ministry of Health Website as at 24th February 2022

If you test positive for COVID-19, you will need to isolate for 10 days. You will be sent a link to complete an online form, which will help identify locations you have visited and people you have come into close contact with.

If you do not have access to a mobile, you will be contacted by a contact tracer, or a primary care, Māori, iwi or Pacific health provider. You can leave isolation after 10 days — you do not need a negative test.

Household Contacts

If you live with someone who has tested positive for COVID-19, **you are considered a Household Contact** and will need to isolate, (stay home) for 10 days. You must get a test on Day 3 and Day 10 of your isolation. If you develop symptoms you should get a test sooner. If you are a Household Contact and you test positive, you will need to isolate for 10 days.

We have **learning packs** prepared so if you are isolating at home please text us if you would like a learning pack delivered. Teachers will be sending Seesaw codes home too.

Get vaccinated, get boosted, follow health advice.
