

18/08/22

Term 3, Week 4

Kia orana, tenā koutou, mālo le soifua, noa'ia, mālo e lelei, fakalofa lahi atu, talofa lava, bula vinaka,, namaste, marhaban, salam alaykum, nei hou and hello everyone.

We appreciate you supporting us to ensure our Glendene School ākonga/learners look after themselves and others. When our tamaiti/children make poor choices we sometimes need your support as parents and caregivers to help reinforce the positive messages at home. Thank you for working with us to help our tamariki learn the Gecko Way.

Gecko Way for Term 3

Use kind words, kind hands, kind feet, kind face.

'Kia ngāwari.'

Take care with others' personal space. People are sacred and can only be touched with their own permission.

'He tapu te tinana o te tangata.'

If kindness is what you show, kindness is what you will receive.

'He aroha whakatō, he aroha puta mai.'

Do things the Gecko Way even when adults are not watching.

'Tauratia te mahi tika kia mataara.'

Vaping is not for young people and is prohibited in schools. It is prohibited to vape on school property or grounds 24/7. In Aotearoa/New Zealand vaping is only recommended to help people quit smoking.

Kahui Ako Schools Hui-Wednesday 24th August-School finishing at 1.00pm

A reminder that our school will be finishing early on Wednesday 24th August so our staff can attend a Kahui Ako hui with staff from Glen Eden Primary, Kelston Primary, St Leonards Road Primary, Kelston Intermediate School, Kelston Boys High School and Kelston Girls College.

Returning to School following illness

The Ministry of Health has confirmed that the guidance for returning to schools following vomiting or diarrhoea has not changed. If a child is free of those symptoms for 48 hours, they can attend school again.

- If a child has been unwell with a respiratory illness other than COVID-19, they can return to school 24 hours after they have significantly improved and are behaving/eating normally.
- Following vomiting or diarrhoea, a child should be symptom free for 48 hours before they can return.
- If they still have a runny nose or dry cough without any other symptoms such as a fever, vomiting or diarrhoea, then they are unlikely to be infectious and can be considered well enough to attend school.
- In general, a doctor's certificate or clearance should not have to be provided for a child to go back to school after being unwell.

TUITION
CONFIDENCE
RESULTS

Give your children's confidence and results a boost!

Dear Parents and Guardians,

NumberWorks'nWords can help bring out the best in your child with expert after-school English and maths tuition.

From New Entrant to Year 11, no matter whether they're struggling to keep up or bursting to race ahead, NumberWorks'nWords promises to give your child's education - and confidence - a real boost.

Over the past 37+ years, NumberWorks'nWords has proven effective, helping to bring out the best in thousands of children just like yours, by:

- Boosting confidence and improving results
- Tailoring lessons according to each individual's needs
- Using qualified tutors who teach to the school curriculum
- Providing feedback on your child's progress towards their goals

Right now, NumberWorks'nWords is offering free assessments in English and maths. These assessments provide a great opportunity for you to discover how your child is doing, collaborate on a plan to help them achieve their potential, and to see for yourself how effective - and enjoyable - NumberWorks'nWords specialist English and maths tuition really is.

Call today to book your free assessment, or to discuss any concerns you may have about your child's progress.
